Financial Assistance

Financial aid is offered based on an analysis of family financial need. Financial aid is a separate application process, in addition to the admissions process. If you're not sure whether to apply for financial aid, choose yes but please be aware that you still need to complete a separate application which is due February 1, 2016. Additional information can be found on the Flintridge Prep website at www.flintridgeprep.org/financial_assistance.aspx.

Interview

Please select dates that are convenient for your family to attend an interview at Flintridge Prep. You must select some dates before you can complete your application for admission. The Admissions Office will contact you in late December or January with a date and time for your interview.

All student interviews will take place from January 5 through February 10, 2016 on weekdays between the hours of 8:20 am and 2:30 pm.

In general, the more date options you supply, the more flexibility the school will have in scheduling an interview date and time that works for you. Due to faculty schedules, there are fewer afternoon interviews available. We suggest that you select 10 or more dates, especially if you prefer an afternoon interview. Also take into consideration family vacations, field trips, exam schedules, and other events when choosing interview options. If, after you submit your application, you discover a change in your family's schedule, please email admissions@flintridgeprep.org with schedule changes.

Following the student interview, parent(s) will have the opportunity to meet with the interviewer to ask questions about Flintridge Prep and/or share insights about the student.

Applicants to grades 8, 10, 11 and 12 will be interviewed only if their qualifications are competitive and there is a probability of a space.
