Name of Candidate _____ Date of Birth _____

At Woodside Priory School, we appreciate you using the Standard Application Online (SAO) provided by SSAT. We would like you to answer the following questions that specifically address your application to our school.

1) What specifically interests you about attending Woodside Priory School?

2) At our school, we think it's important for you as a Priory student to accept challenges, even when there's the possibility that you might not reach your goal. Tell us about a time that you were challenged and did not meet your goal. How did you respond to it, and what did you learn from it?

- 3) The Priory is a Catholic school with students from a wide variety of religious and spiritual backgrounds. As such, we encourage exploration of all religious faiths and a person's individual spirituality. While not a requirement for acceptance, we would like your thoughts regarding the role that religion/spirituality might play in your life. You may want to indicate your religious background, as well.

- 4) Please let us know how you heard about Priory (check all that may apply)
