Dear **Listy**,

Thank you for completing your application. All of your paperwork has been received and we will begin reviewing your application soon. We will contact you regarding your status through email in a few days. You can continue to monitor your status through the [Student Portal](#).

Application Review

Applications are reviewed as they are completed. Once enrollment in a course is closed, qualified applicants are placed in one of their alternate choices and are wait-listed for their first choice. You will be contacted by the USC Summer Programs Office if a space in your preferred course becomes available. Students are encouraged to apply early in order to improve their chances of getting their first choice. Once accepted, a student will need to pay a **\$500 non-refundable deposit** and submit the required forms to secure his/her place in the program.

If you have any questions, please contact us through summer@usc.edu or (213) 740-5679.

Thank you for your interest in our program.

Sincerely,

V. Sonny Hayes
Director of Summer Programs
